FOOD JUSTICE + SUSTAINABLE URBAN AGRICULTURE

2015 Community Apprentice Program at Bushwick Campus Farm

Would you like to...

- ❖ Meet and work with other volunteers, teachers, and community members working towards food justice in Bushwick?
- ❖ Learn the basics of urban farming through hands on experience and mentoring?
- ❖ Help run workshops for our school programming and summer youth employment program?
- ❖ Learn how to manage a farmers' market?
- ❖ Help maintain rainwater, hydroponic, and aquaponic systems?
- ❖ Learn the basics of large-scale composting?
- ❖ Support local entrepreneurship initiatives through community food arts and market-ready "added value" products?

Learn About:

- ❖ Urban Farming
- ❖ Youth & Farm Education
- ❖ Added Value and Farmers Market
- ❖ RSA & CSA (Restaurant- and Community-Supported Agriculture)
- ❖ Social Media, Outreach and Special Event Production
