

## HIGH SCHOOL PROGRAMS

Brooklyn Children's Museum offers a free, year-round afterschool program for students in grades 9th – 12th designed to support each student's academic, cultural, and professional development. Led by museum educators, students will participate in hands-on art, tech, and science projects; attend college prep workshops; and gain valuable experience working at the world's first children's museum.

### MUSEUM CAREER TRACK

Build your resume and learn what it takes to work in a museum. Select paid opportunities available for program participants.

### COLLEGE READINESS TRACK

Prepare for college with test prep, essay writing workshops, college visits, and access to financial aid information.

### CULTURAL ARTS AND SCIENCES TRACK (CAST)

Participate in a variety of hands-on arts and culture, science, and technology-based projects that will culminate in a group exhibition.
