Asst. Dir. of Govt Relations  
MTA NYC Transit  
2 Broadway, Room D 17.122  
New York, NY 10004

Dear Mr. Inglesby,

I am writing to you on behalf of the Sanitation garage, BK 8. The Superintendent has reached out to me regarding a troubling situation along Portal Street between Eastern Parkway and East New York Avenue on MTA property under the 3 train rail tracks. The area is prone to high weeds that causes trash to become more pronounced due to improper maintenance by NYC Transit. Community Board 8, along with BK 8 is requesting that the site be paved with concrete to dispel the weeds and provide less of an inviting locale for dumping and improve cleanliness by preventing garbage buildup in the weeds.

Any assistance you can provide on this matter would be greatly appreciated. I look forward to hearing from you in the near future.

Sincerely,

  
Michelle George  
District Manager
