Michelle George, District Manager
NYC Brooklyn Community Board No. 8
1291 St. Marks Avenue
Brooklyn, NY 11213

Re: SEK002386- Replacement of Combined Sewer, Bulkheading of Existing Sewer and Watermain in Park Place between Underhill and Flatbush Avenues in the Borough of Brooklyn.

Dear District Manager:

Please be advised that the above referenced contract has been awarded to the lowest responsive and responsible bidder, Perfetto Contracting Co., Inc. on September 30, 2020.

In the near future, the above-named contractor will receive an Order to Commence Work. Mr. Pierre-Paul Rameau Jr., the Director of Brooklyn Construction at (347) 203-1360, will contact you when construction is about to start and offer you the opportunity to walk through the site prior to construction.

This project involves the Replacement of Combined Sewer, Bulkheading of Existing Sewer and Water Main work in Park Place between Underhill Avenue and Flatbush Avenue and other locations in the Borough of Brooklyn. Attached is a sketch of this project limits.

Please share this information with your board members and the community by including it in your general meeting announcements or board mailings.

If you have questions or need more information, please contact Mini Thomas, P.E., Director of Brooklyn Program Management at (718) 391-2340 or Ashishkumar Patel., Project Manager at (718)391 -2323.

Sincerely,

Luis Sanchez, P. E.
Associate Commissioner
Program Management, Infrastructure
