

Restoring The Vale

Virtual Community Workshop

Tuesday, March 15, 2022

6:30-8:30 pm

prospectpark.org/vale-workshop

Prospect Park Alliance presents a virtual, interactive workshop and community meeting to discuss plans for restoring the 26 acres in the park's northeast corner. This vision was created through an intensive community design process in 2017-2018, and in 2021, the City allocated \$40 million in funding to make this vision a reality.

In this workshop:

- learn how community input shaped the design vision
- share your ideas for the use of the space
- help us shape our plans as we begin the design phase
